ABBOTSFORD COUNTRY WEAVES CANNA - SUNSET — COLOURWAY  
ABC106

Sunset is a textured woven design from Abbotsford Textiles' Country Weaves Canna range, woven in the UK from a 90% Wool, 10% Nylon blend. Suitable for upholstery, curtains and soft furnishings in offices, hospitality and commercial environments.

## FLAMMABILITY / FIRE PERFORMANCE

## Crib 5 (BS 5852)

Ignition source 5 - the contract upholstery standard.

## EN 1021 Parts 1 &amp; 2

Cigarette and match ignition resistance for furniture.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 90% Wool, 10% Nylon                                                               |
| DESIGN         | Textured                                                                          |
| COLOURWAY      | ABC106 — one of 1 in the Abbotsford Country Weaves Canna - Sunset range           |
| WIDTH          | 140 cm                                                                            |
| WEIGHT         | 460 g/m²                                                                          |
| PATTERN REPEAT | None — no match required                                                          |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |

CURTAIN SPECIFICATION

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Abbotsford Textiles                                                |
