BOTANICAL SEA BREEZE — COLOURWAY BOTANICAL-SEA-BREEZE

Botanical Sea Breeze is an intricate line-drawn meadow of umbellifers and wildflowers, from the Bancroft Wilderness collection. Digitally printed for intricate detail and depth of colour. Printed to order on an inherently fire retardant Panama base cloth, meeting BS5867 Part 2 Type C, making it suitable for commercial environments including care homes, hotels and healthcare settings.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.
