HAZE CHAMPAGNE — COLOURWAY 9012-CHAMPAGNE

Haze Champagne is a fine, finely-woven voile with a delicate, refined handle, from the Bancroft Textured Voiles collection. It softly filters daylight and sunshine without blocking it out entirely, adding a light layer of privacy and texture to window schemes. Contract-grade and suitable for commercial environments including hotels, care homes and healthcare settings.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

EN 13773

European burning behaviour classification for curtains and drapes.

IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.
