MONTANA PETROL — COLOURWAY 7039-PETROL

Montana is a decorative FR blackout fabric from Bancroft's Decorative Blackouts range, blocking light while adding a soft teal tone to the room. Montana meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Polyester                                                                                                                                                  |
| DESIGN              | Herringbone                                                                                                                                                     |
| COLOURWAY           | 7039-PETROL — one of 1 in the Montana Petrol range                                                                                                              |
| WIDTH               | 280 cm                                                                                                                                                          |
| WEIGHT              | 380 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
