VENTO GRANITE — COLOURWAY 7500-GRANITE

Vento Granite is a fine, softly textured weave with subtle tonal depth from the Bancroft Aria FR Recycled Weaves & Voiles collection, made using traceable REPREEVE® recycled performance fibre for a soft, relaxed texture inspired by nature. Supplied as an extra-wide 290cm cloth, ideal for railroading large curtain runs with minimal joins. Contract-grade and suitable for commercial environments including hotels, care homes and healthcare settings.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

EN 13773

European burning behaviour classification for curtains and drapes.

IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.
