VENTO SHADOW — COLOURWAY 7500-SHADOW

Vento Shadow is a fine, softly textured weave with subtle tonal depth from the Bancroft Aria FR Recycled Weaves & Voiles collection, made using traceable REPREVE® recycled performance fibre for a soft, relaxed texture inspired by nature. Supplied as an extra-wide 290cm cloth, ideal for railroading large curtain runs with minimal joins. Contract-grade and suitable for commercial environments including hotels, care homes and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

EN 13773

European burning behaviour classification for curtains and drapes.

IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 26% FR REPREVE® Polyester, 74% FR Polyester                                                                                                                     |
| CONSTRUCTION        | Softly textured weave — woven                                                                                                                                   |
| DESIGN              | Textured                                                                                                                                                        |
| COLOURWAY           | 7500-SHADOW — one of 1 in the Vento Shadow range                                                                                                                |
| WIDTH               | 290 cm                                                                                                                                                          |
| WEIGHT              | 215 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £170.42               | £72.21                              |
| Eyelet       | 1.75× fullness | £193.75               | £82.10                              |
| Wave         | 2× fullness    | £205.42               | £87.04                              |
| Pinch pleat  | 2.5× fullness  | £356.67               | £151.13                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
