HEMP ACRE — COLOURWAY HWP19

Hemp Acre brings Acre's tone from Camira's Hemp collection to made-to-measure fire retardant curtains. Woven from 70% Virgin Wool and 30% True Hemp, it combines natural texture with dependable BS 7176 Medium Hazard flammability performance for contract interiors. Certified to the EU Ecolabel, it's an eco-conscious choice for sustainable projects.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008 — Type B

The UK classification for curtains, drapes and blinds in public buildings.

## BS 7176

Ignition source classification for upholstered seating.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 70% Virgin Wool, 30% True Hemp                                                    |
| DESIGN         | Textured                                                                          |
| COLOURWAY      | HWP19 — one of 1 in the Hemp Acre range                                           |
| WIDTH          | 140 cm                                                                            |
| WEIGHT         | 460 g/m <sup>2</sup>                                                              |
| PATTERN REPEAT | None — no match required                                                          |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |
| CARE           | Wipe clean (vacuum / steam / dry clean)                                           |
