LUMIS ASTRO GLACIER — COLOURWAY LAS01

Lumis Astro Glacier is a fine, wide-width sheer from Camira, capturing the quiet elegance of linen in a fabric crafted from recycled flame-retardant polyester. Its natural matte, cotton-linen look softens daylight and enhances acoustics, bringing understated sophistication to hospitality and workplace interiors.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008 — Type B
The UK classification for curtains, drapes and blinds in public buildings.

EN 13773 — Class 1
European burning behaviour classification for curtains and drapes.

IMO FTP Code 2010, Part 7
Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.
