REGENT WINTER GARDENS — COLOURWAY REG02

Winter Gardens is part of Camira's Regent collection, a plush velvet fabric in 100% FR Polyester, offering exceptional durability (Martindale 50,000) for demanding contract curtain use. Woven to 140cm width at 400gsm, Winter Gardens suits offices and commercial interiors where performance and refined handle both matter.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008 — Type B
The UK classification for curtains, drapes and blinds in public buildings.

BS 7176
Ignition source classification for upholstered seating.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.
