REGENT BELGRADE — COLOURWAY REG28

Belgrade is part of Camira's Regent collection, a plush velvet fabric in 100% FR Polyester, offering exceptional durability (Martindale 50,000) for demanding contract curtain use. Woven to 140cm width at 400gsm, Belgrade suits offices and commercial interiors where performance and refined handle both matter.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008 — Type B

The UK classification for curtains, drapes and blinds in public buildings.

## BS 7176

Ignition source classification for upholstered seating.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 100% FR Polyester                                                                 |
| CONSTRUCTION   | Velvet                                                                            |
| DESIGN         | Semi Plain                                                                        |
| COLOURWAY      | REG28 — one of 1 in the Regent Belgrade range                                     |
| WIDTH          | 140 cm                                                                            |
| WEIGHT         | 400 g/m <sup>2</sup>                                                              |
| PATTERN REPEAT | None — no match required                                                          |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |
| CARE           | Wipe clean · Bleach safe (steam / dry clean OK)                                   |
