YOREDALE THORNTON — COLOURWAY UDA09

Yoredale Thornton is a heavyweight wool bouclé fire retardant fabric from Camira, woven with a fascinating textured bouclé yarn and a contrasting black binder for added depth. At 750gsm — the heaviest weight in Camira's curtain range — it brings a substantial, tactile drape to contract and hospitality curtains.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008 — Type B

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 95% Virgin Wool, 3% Polyester, 2% Polyamide                                       |
| DESIGN         | Textured                                                                          |
| COLOURWAY      | UDA09 — one of 1 in the Yoredale Thornton range                                   |
| WIDTH          | 138 cm                                                                            |
| WEIGHT         | 750 g/m <sup>2</sup>                                                              |
| PATTERN REPEAT | None — no match required                                                          |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |
| CARE           | Wipe clean (vacuum / steam / dry clean)                                           |
