YOREDALE BURNSALL — COLOURWAY UDA22

Yoredale Burnsall is a heavyweight wool bouclé fire retardant fabric from Camira, woven with a fascinating textured bouclé yarn and a contrasting black binder for added depth. At 750gsm — the heaviest weight in Camira's curtain range — it brings a substantial, tactile drape to contract and hospitality curtains.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008 — Type B

The UK classification for curtains, drapes and blinds in public buildings.

IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.
