RE-DELIS RATTAN — COLOURWAY RE-DELIS-08

RE-Delis Rattan is a matt, raw-linen-look wide-width drapery from FR-One's RE-Delis range, woven with GRS-certified recycled polyester. At 300cm wide it is used with the width forming the drop, for seam-free curtains and bedding.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

## BS 7175 Ignition Source 5 (bedding)

Certified for this fabric.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 52% FR Recycled Polyester, 48% FR Polyester                                                                                                                     |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | RE-DELIS-08 — one of 1 in the RE-Delis Rattan range                                                                                                             |
| WIDTH               | 300 cm                                                                                                                                                          |
| WEIGHT              | 260 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 71°C                                                                                                                                                |

CURTAIN SPECIFICATION

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| FABRIC MANUFACTURER    | FR-One                                                             |
| CURTAIN MAKE-UP        | Made to measure in the UK by CreateFR, supplied ready to install   |
| HEADINGS               | Pinch pleat 2.5× · Pencil pleat 1.75× · Wave 2× · Eyelet 1.75×     |
| LINING                 | FR 3-pass blackout lining included                                 |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £255.83               | £108.40                             |
| Eyelet       | 1.75× fullness | £279.17               | £118.29                             |
| Wave         | 2× fullness    | £290.83               | £123.23                             |
| Pinch pleat  | 2.5× fullness  | £484.58               | £205.33                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
