PATINA INDIGO-GOLD — COLOURWAY MK-K-33-5

Patina is an abstract design inspired by the natural oxidation, or verdigris, that forms on aged bronze and copper over time, from the Mallion & Knowles collection. Digitally printed onto a luxury velvet base cloth for rich colour depth, Patina Indigo-Gold meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| CONSTRUCTION   | Velvet — printed                                                                  |
| DESIGN         | Abstract                                                                          |
| COLOURWAY      | MK-K-33-5 — one of 1 in the Patina Indigo-Gold range                              |
| WIDTH          | 137 cm                                                                            |
| PATTERN REPEAT | 60 cm vertical × 60 cm horizontal — Half Drop                                     |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |

CURTAIN SPECIFICATION

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Mallion & Knowles                                                  |
