ASYMMETRIC GOLD — COLOURWAY ASYMMETRIC-GOLD

Asymmetric brings a striking gold colourway to Panaz's Gallery Wide Width Prints collection printed wide-width for a seamless run across large windows. Crafted in the UK from inherently fire-retardant materials, it's the perfect choice for creating luxurious, safe, and durable curtains that enhance any hospitality or residential space.

## FLAMMABILITY / FIRE PERFORMANCE

### BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

### BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

### IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

### IMO FTP Code 2010, Part 7

### BS 7175 Ignition Source 5

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| DESIGN              | Abstract                                                                                                                                                        |
| COLOURWAY           | ASYMMETRIC-GOLD — one of 1 in the Asymmetric Gold range                                                                                                         |
| WIDTH               | 276 cm                                                                                                                                                          |
| WEIGHT              | 240 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | 66 cm vertical × 276 cm horizontal                                                                                                                              |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
