DREAMSCAPE SKY — COLOURWAY DREAMSCAPE-SKY

Dreamscape Sky is part of Panaz's Dreamscape collection, a reversible four-pass blackout drapery fabric with stain-resistant performance. Made to measure as fire retardant curtains for hospitality and contract interiors.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

**NFPA 701**

US vertical flame test for textiles used in interiors.

**BS EN 13373**

Italian Classe Uno UNI 9177 Drapery

**AB2998 Compliant**

PROP 65 Compliant

**CAL Title 19**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | Polyester Laminated FR Blackout                                                                                                                                 |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | DREAMSCAPE-SKY — one of 1 in the Dreamscape Sky range                                                                                                           |
| WIDTH               | 285 cm                                                                                                                                                          |
| WEIGHT              | 380 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Dreamscape care instructions                                                                                                                                    |

CURTAIN SPECIFICATION

|                        |                                                                    |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £191.67               | £81.21                              |
| Eyelet       | 1.75× fullness | £215.00               | £91.10                              |
| Wave         | 2× fullness    | £227.08               | £96.22                              |
| Pinch pleat  | 2.5× fullness  | £388.75               | £164.72                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
