ENAMEL CRYSTAL — COLOURWAY 2003-CRYSTAL

Enamel is a fine, plain sheer from Prestigious Textiles, woven in 100% Polyester FR for a soft, light-filtering finish that works alongside heavier drapery or on its own. With no pattern repeat to match, Enamel hangs cleanly across any width and is equally suited to residential and contract settings.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

EN 13773

European burning behaviour classification for curtains and drapes.

IMO FTP Code 2010, Part 7

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Polyester FR                                                                                                                                               |
| DESIGN              | Plain                                                                                                                                                           |
| COLOURWAY           | 2003-CRYSTAL — one of 1 in the Enamel Crystal range                                                                                                             |
| WIDTH               | 297 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Iron on low heat                                                                                                                             |

CURTAIN SPECIFICATION

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Prestigious Textiles                                                              |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £127.92               | £54.20                              |
| Eyelet       | 1.75× fullness | £151.25               | £64.09                              |
| Wave         | 2× fullness    | £162.92               | £69.03                              |
| Pinch pleat  | 2.5× fullness  | £292.50               | £123.94                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
