SWATCH — COLOURWAY 2006-TOBACCO

Grosvenor is a plain, softly textured fire retardant weave from Prestigious Textiles, woven in 100% Polyester FR yarn on a broad 302cm loom width (298cm usable). Its understated, tonal finish suits both drapery and upholstery use across contract and hospitality interiors, and its wide usable width allows most standard drops to be railroaded without seaming. Shown here in the Tobacco colourway, Grosvenor is woven in Italy and is genuinely dual-use, meeting a comprehensive set of UK, European and international fire standards for both curtain and upholstery applications.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**EN 13773**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

**DIN 4102**
**NF P92-503/507**
**NFPA 701**
**BS 7176**
**Crib 5 (BS 5852)**
**C1 Classe Uno (Italy)**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION
