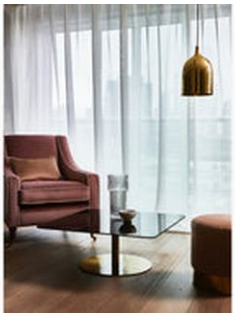
SWATCH — COLOURWAY 2007-GRANITE



Kensington Granite is a fire retardant velvet from Prestigious Textiles' contract collection, bringing a soft, luxurious pile and a cool stone grey tone to made-to-measure curtains. Woven from 100% Polyester FR yarn with a generous 300cm width, Kensington is inherently flame resistant and equally suited to drapery and upholstery, making it a versatile choice for hotels, healthcare settings and other contract interiors.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008
The UK classification for curtains, drapes and blinds in public buildings.

EN 13773
European burning behaviour classification for curtains and drapes.

DIN 4102
German building materials classification.

NF P92-503/507

BS 7176

Crib 5 (BS 5852)

C1 Classe Uno

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.
