MISTRAL TURQUOISE — COLOURWAY 7893-TURQUOISE

Mistral is a sheer, voile-weight fabric with an understated plain textural weave, offering soft light diffusion and a relaxed drape. Woven in 100% Recycled Polyester, it combines inherent fire retardancy with a sustainable yarn base. The range is available in a wide selection of neutral and accent colourways, making it a versatile choice for contract and hospitality interiors where texture and light control matter as much as compliance.
