SWATCH — COLOURWAY 2014-LIME

Portobello Wide Lime is a fire retardant weave fabric from Prestigious Textiles' Portobello collection, finished in a fresh lime green. Woven in 100% Poly Acrylic FR yarn to a generous 280cm wide width, it is well suited to railroading, letting wide windows be dressed without a seam. Its dense, dimout-style weave gives a substantial contract handle, making it a practical choice for hotels, restaurants and other commercial interiors as well as the home.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

**C1 Classe Uno**

Certified for this fabric.

**DIN4102-1 (B1)**
**EN13773 (Drapes)**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION
