BIRUNI COCOA — COLOURWAY BIRUNI-08

Biruni Cocoa is a wide-width linen-look plain from Sekers' Khiva collection in inherently flame retardant polyester. At 300cm wide it is used with the width forming the drop, for seam-free curtains in hospitality, leisure and marine interiors.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% FR Polyester                                                                                                                                               |
| DESIGN              | Textured                                                                                                                                                        |
| COLOURWAY           | BIRUNI-08 — one of 1 in the Biruni Cocoa range                                                                                                                  |
| WIDTH               | 300 cm                                                                                                                                                          |
| WEIGHT              | 315 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 60°C                                                                                                                                                |

CURTAIN SPECIFICATION

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Sekers                                                             |
| CURTAIN MAKE-UP        | Made to measure in the UK by CreateFR, supplied ready to install   |
| HEADINGS               | Pinch pleat 2.5× · Pencil pleat 1.75× · Wave 2× · Eyelet 1.75×     |
| LINING                 | FR 3-pass blackout lining included                                 |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £234.58               | £99.40                              |
| Eyelet       | 1.75× fullness | £257.92               | £109.29                             |
| Wave         | 2× fullness    | £269.58               | £114.23                             |
| Pinch pleat  | 2.5× fullness  | £452.50               | £191.74                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
