SWATCH — COLOURWAY MARQUEE-03

Marquee Armour is a textured wide-width sheer from Sekers' Fifties collection, woven with recycled polyester. At 312cm wide it is used with the width forming the drop, for seam-free sheer curtains in hotels, hospitality and leisure interiors.

## FLAMMABILITY / FIRE PERFORMANCE

### BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 85% Recycled Polyester, 15% Polyester                                                                                                                           |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | MARQUEE-03 — one of 1 in the Marquee Armour range                                                                                                               |
| WIDTH               | 312 cm                                                                                                                                                          |
| WEIGHT              | 315 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Dry clean only                                                                                                                                                  |

CURTAIN SPECIFICATION

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Sekers                                                                            |
| CURTAIN MAKE-UP        | Made to measure in the UK by CreateFR, supplied ready to install                  |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £212.92               | £90.22                              |
| Eyelet       | 1.75× fullness | £236.67               | £100.28                             |
| Wave         | 2× fullness    | £248.33               | £105.23                             |
| Pinch pleat  | 2.5× fullness  | £420.42               | £178.14                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
