BERG GREEN TEA — COLOURWAY NLA32

Green Tea is one of eight new colourways introduced in the Northern Lights Aurora extension, expanding Skopos' popular Berg herringbone weave with a fresh set of shades. This soft, muted green brings a calm, contemporary feel to the Berg design's fine herringbone texture, woven in 100% Trevira for lasting durability and colour retention. As part of the Northern Lights Aurora range, Berg Green Tea combines beautifully with the wider Northern Lights collection while offering a genuinely new addition to the palette. Every curtain is made to measure to your exact dimensions.

FLAMMABILITY / FIRE PERFORMANCE
BS 5867 Part 2 : 2008 — Type B

The UK classification for curtains, drapes and blinds in public buildings.

IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.
