DALA MANTIS — COLOURWAY NL8

Dala is a chunky, wool-look woven texture in the Mantis colourway, offering tactile warmth and depth for curtains in hotels, offices and healthcare interiors. Inherently fire retardant, Dala meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 100% Trevira FR                                                                   |
| DESIGN         | Semi Plain                                                                        |
| COLOURWAY      | NL8 — one of 1 in the Dala Mantis range                                           |
| WIDTH          | 140 cm                                                                            |
| WEIGHT         | 250 g/m <sup>2</sup>                                                              |
| PATTERN REPEAT | None — no match required                                                          |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |
| CARE           | Washable at 30°C · Do not tumble dry · Do not iron · Professional dry clean only  |
