DOVE PETROL — COLOURWAY DOV10030

Dove is a luxurious cotton-look matt velvet in the Petrol colourway, offering a soft handle and gentle reflection for elegant multi-purpose styling across upholstery, drapery, cushions and bedding in hospitality interiors. Inherently fire retardant, Dove meets BS5867 Part 2 Type B, making it suitable for commercial environments including hotels, care homes and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                |                                                                                    |
|----------------|------------------------------------------------------------------------------------|
| COMPOSITION    | 100% FR Polyester                                                                  |
| CONSTRUCTION   | Velvet                                                                             |
| DESIGN         | Plain                                                                              |
| COLOURWAY      | DOV10030 — one of 1 in the Dove Petrol range                                       |
| WIDTH          | 138 cm                                                                             |
| WEIGHT         | 325 g/m <sup>2</sup>                                                               |
| PATTERN REPEAT | None — no match required                                                           |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths.  |
| CARE           | Washable at 40°C · Tumble dry low heat · Do not iron · Professional dry clean only |
