FOSS TUNDRA — COLOURWAY LA28

Foss is an electric, digitally rendered stripe with a vignette fade, a commissioned design that brings modernist excitement to the collection. Digitally printed for intricate detail and depth of colour. Printed to order on an inherently fire retardant base cloth, Foss meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

FLAMMABILITY / FIRE PERFORMANCE
BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.
