HALCYON DAWN PETROL — COLOURWAY LA25

Halcyon Dawn is a serene, sky-inspired abstract design washed in deep petrol blue-green tones, one of the designs revisited for Skopos's 50th Anniversary collection. Digitally printed for intricate detail and depth of colour. Printed to order on an inherently fire retardant base cloth, Halcyon Dawn meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 100% FR Polyester                                                                 |
| DESIGN         | Floral/Botanical                                                                  |
| COLOURWAY      | LA25 — one of 1 in the Halcyon Dawn Petrol range                                  |
| WIDTH          | 137 cm                                                                            |
| WEIGHT         | 240 g/m <sup>2</sup>                                                              |
| PATTERN REPEAT | 64 cm vertical × 34.3 cm horizontal — Square Set                                  |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |
| CARE           | Washable at 71°C                                                                  |
