LUNA SHALE — COLOURWAY L3

Luna is a 100% polyester 4-pass blackout fabric in the Shale colourway, with a double-sided textured face giving complete light exclusion for bedrooms, hotel rooms and healthcare interiors. Inherently fire retardant, Luna meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Polyester FR, 4-pass blackout                                                                                                                              |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | L3 — one of 1 in the Luna Shale range                                                                                                                           |
| WIDTH               | 280 cm                                                                                                                                                          |
| WEIGHT              | 400 g/m <sup>2</sup>                                                                                                                                            |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Line dry · Do not dry clean                                                                                              |
