TRANQUILITY FROST — COLOURWAY A18

Tranquility is a soft, sheer plain-weave voile in the Frost colourway, filtering natural light while maintaining privacy for hospitality, healthcare and contract interiors. Inherently fire retardant, Tranquility meets BS5867 Part 2 Type B, making it suitable for commercial environments including care homes, hotels and healthcare settings.

## FLAMMABILITY / FIRE PERFORMANCE

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Polyester FR                                                                                                                                               |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £127.92               | £54.20                              |
| Eyelet       | 1.75× fullness | £151.25               | £64.09                              |
| Wave         | 2× fullness    | £162.92               | £69.03                              |
| Pinch pleat  | 2.5× fullness  | £292.50               | £123.94                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
