SWATCH — COLOURWAY 8059.31

IN SITU — BEDRA FULL-DROP CURTAINS

Bedra is a heavyweight dim-out fabric from Vescom, woven from a blend of recycled and virgin flame retardant polyester for a substantial, light-blocking drape. With acoustic performance ( $\alpha_w > 0.50$ ) and floor-to-ceiling suitability, Bedra meets BS 5867 Part 2 Type B, making it ideal for hotels, offices, auditoriums and other commercial spaces where light control and sound absorption matter, including cruise and marine interiors.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008 — Type B**

The UK classification for curtains, drapes and blinds in public buildings.

**EN 13773 — Class 1**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7 — Pass**

Marine certification for cruise, ferry and offshore interiors.

**DIN 4102 — B1**
**NFPA 701 — Pass**
**CAN/ULC S109 — Pass**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION
