SWATCH — COLOURWAY 8025.22

IN SITU — MARMARA FULL-DROP CURTAINS

Marmara is a matte, unpatterned curtain fabric from Vescom, finished with a glossy reverse face so either side can be used depending on the desired sheen. Woven from 100% FR polyester, Marmara is IMO certified and meets BS 5867 Part 2 Type C, making it a versatile choice for hotels, offices and marine interiors where a clean, understated textile is needed.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008 — Type C**

The UK classification for curtains, drapes and blinds in public buildings.

**EN 13773 — Class 1**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7 — Pass**

Marine certification for cruise, ferry and offshore interiors.

**DIN 4102 — B1**
**NF P92-503/507 — M1**
**NFPA 701 — Pass**
**CAN/ULC S109 — Pass**
**UNI VF 8456-8457 — Classe 1**
**Übereinstimmung — Pass**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% FR Polyester                                                                                                                                               |
| DESIGN              | Textured                                                                                                                                                        |
| COLOURWAY           | 8025.22 — one of 24 in the Marmara range                                                                                                                        |
| WIDTH               | 300 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C or 70°C · Do not tumble dry · Professional dry clean only                                                                                      |
