SWATCH — COLOURWAY 8094.04

IN SITU — MIRA FULL-DROP CURTAINS

Mira is a linen-like, two-tonal floor-to-ceiling sheer curtain fabric from Vescom, woven in an open grid weave with an irregular, vertical dark-yarn effect across 12 colourways. Made from 63% recycled FR polyester and 37% FR polyester, Mira is IMO certified and meets BS 5867 Part 2 Type C, making it a sustainable, textural choice for hotels, offices and marine interiors.

## FLAMMABILITY / FIRE PERFORMANCE

### BS 5867 Part 2 : 2008 — Type C

The UK classification for curtains, drapes and blinds in public buildings.

### DIN 4102 — B1

### CAN/ULC S109 — Pass

### EN 13773 — Class 1

European burning behaviour classification for curtains and drapes.

### NF P92-503/507 — M1

### UNI VF 8456-8457 — Classe 1

### IMO FTP Code 2010, Part 7 — Pass

Marine certification for cruise, ferry and offshore interiors.

### NFPA 701 — Pass

### Übereinstimmung — Pass

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 63% Recycled FR Polyester / 37% FR Polyester                                                                                                                    |
| CONSTRUCTION        | Woven in an open grid weave — sheer                                                                                                                             |
| DESIGN              | Textured                                                                                                                                                        |
| COLOURWAY           | 8094.04 — one of 12 in the Mira range                                                                                                                           |
| WIDTH               | 307 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 50°C · Do not tumble dry · Professional dry clean only                                                                                              |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £191.67               | £81.21                              |
| Eyelet       | 1.75× fullness | £215.00               | £91.10                              |
| Wave         | 2× fullness    | £227.08               | £96.22                              |
| Pinch pleat  | 2.5× fullness  | £388.75               | £164.72                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
