SWATCH — COLOURWAY 8086.13

IN SITU — NIAS FULL-DROP CURTAINS

Nias is a floor-to-ceiling sheer curtain fabric from Vescom, woven with a fine graphic grid construction from 78% recycled plastic waste and 22% FR polyester for a subtly textured, light-filtering finish. Supplied at a generous 315cm wide width and finished to 375gr/m<sup>2</sup>, Nias combines sustainable credentials with a soft, semi-transparent drape suited to contract, hospitality and workplace interiors.

**FLAMMABILITY / FIRE PERFORMANCE**
**EN 13773 — Class 1**

European burning behaviour classification for curtains and drapes.

**DIN 4102 — B1**

German building materials classification.

**NF P92-503/507 — M1**

French reaction-to-fire classification.

**NFPA 701 — Pass**
**CAN/ULC S109 — Pass**
**UNI VF 8456-8457 — Classe 1**
**Übereinstimmung — Pass**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 78% Recycled Polyester FR / 22% Polyester FR                                                                                                                    |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | 8086.13 — one of 13 in the Nias range                                                                                                                           |
| WIDTH               | 315 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Professional dry clean only                                                                                              |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £212.92               | £90.22                              |
| Eyelet       | 1.75× fullness | £236.67               | £100.28                             |
| Wave         | 2× fullness    | £248.33               | £105.23                             |
| Pinch pleat  | 2.5× fullness  | £420.42               | £178.14                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
