SWATCH — COLOURWAY 8085.06

IN SITU — TEON FULL-DROP CURTAINS

Teon 8085.06 is a soft, two-tonal floor-to-ceiling curtain fabric from Vescom in a large scale open grid construction. Made from 100% FR polyester at a wide 306cm width, Teon offers a light, textural sheer suitable for commercial interiors, hospitality and marine environments where privacy softening and diffused daylight are needed without sacrificing durability or compliance. Teon is IMO certified and meets BS 5867 Part 2 Type C and EN 13773 Class 1, making it a dependable choice for contract, hotel and cruise ship curtain schemes.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008 — Type C**

The UK classification for curtains, drapes and blinds in public buildings.

**EN 13773 — Class 1**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7 — Pass**

Marine certification for cruise, ferry and offshore interiors.

**DIN 4102 — B1**
**NFPA 701 — Pass**
**CAN/ULC S109 — Pass**
**UNI VF 8456-8457 — Classe 1**
**NF P 92/503-507 — M1**
**Übereinstimmung — Pass**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% FR Polyester                                                                                                                                               |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | 8085.06 — one of 12 in the Teon range                                                                                                                           |
| WIDTH               | 306 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 50°C · Do not tumble dry · Professional dry clean only                                                                                              |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £170.42               | £72.21                              |
| Eyelet       | 1.75× fullness | £193.75               | £82.10                              |
| Wave         | 2× fullness    | £205.42               | £87.04                              |
| Pinch pleat  | 2.5× fullness  | £356.67               | £151.13                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
