ALYA FR (REVERSIBLE) MARINE — COLOURWAY V3397/13

Alya FR (Reversible) Marine is a wide-width fire retardant blackout fabric from Villa Nova's Estella collection. Alya is a reversible, blackout plain offering timeless sophistication, usable either side out for extra flexibility, and the Marine colourway brings that character to made-to-measure curtains.

FLAMMABILITY / FIRE PERFORMANCE

BS 5867 Part 2 : 2008
The UK classification for curtains, drapes and blinds in public buildings.

B1 (Germany)

EN 13773
European burning behaviour classification for curtains and drapes.

IMO FTP Code 2010, Part 7
Marine certification for cruise, ferry and offshore interiors.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.
