CALGARY FR CARBON — COLOURWAY V3638/31

Finished to a generous 294cm fabric width, Calgary FR is inherently flame retardant and suitable for commercial and contract interiors including hotels, healthcare and marine environments, as well as domestic use. Being reversible, it offers extra styling flexibility for made-to-measure curtains.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

## BS7175 Ignition Source 5

## B1 (Germany)

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## IMO FTP Code 2010, Part 7

## Crib 5 (BS5852)

## EN 13773

European burning behaviour classification for curtains and drapes.

## IMO FTP Code 2010, Part 7

## M1 (France)

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Polyester                                                                                                                                                  |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | V3638/31 — one of 1 in the Calgary FR Carbon range                                                                                                              |
| WIDTH               | 294 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Professional dry clean only                                                                                              |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £234.58               | £99.40                              |
| Eyelet       | 1.75× fullness | £257.92               | £109.29                             |
| Wave         | 2× fullness    | £269.58               | £114.23                             |
| Pinch pleat  | 2.5× fullness  | £452.50               | £191.74                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
