MIRA NIGHTSHADE — COLOURWAY V3224/10

Nightshade is a luxurious Trevira CS velvet from Villa Nova's Mira collection, woven in 100% Trevira CS with a rich, soft pile for a tactile, plush handle. Tested to BS5867 Part 2 Type B & C, it is suitable for commercial environments including hotels, restaurants and contract interiors.

## FLAMMABILITY / FIRE PERFORMANCE

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

## BS 5867 Part 2 : 2008

The UK classification for curtains, drapes and blinds in public buildings.

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| COMPOSITION    | 100% Trevira CS                                                                   |
| CONSTRUCTION   | Velvet                                                                            |
| DESIGN         | Plain                                                                             |
| COLOURWAY      | V3224/10 — one of 1 in the Mira Nightshade range                                  |
| WIDTH          | 138 cm                                                                            |
| PATTERN REPEAT | None — no match required                                                          |
| SEAMS          | Cut vertically — curtains wider than one cloth width are made from joined widths. |
| CARE           | Dry clean only · Do not iron                                                      |
