PELLI FR PIGEON — COLOURWAY V3279/03

Pelli FR Pigeon is a fire retardant woven fabric from Villa Nova's Diffuse FR collection, its fine, tactile weave lending quiet textural interest in a muted, neutral palette. Finished in 100% Trevira CS, it reflects the collection's emphasis on fluidity of movement and understated texture.

## FLAMMABILITY / FIRE PERFORMANCE

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**EN 13773**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7**

The flame-retardant performance is inherent to the fibre, not a surface treatment. It cannot wash out or wear off over the life of the curtain, and requires no re-treatment. Fire certificates are issued with every order.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Trevira CS                                                                                                                                                 |
| CONSTRUCTION        | Tactile weave — woven                                                                                                                                           |
| DESIGN              | Textured                                                                                                                                                        |
| COLOURWAY           | V3279/03 — one of 1 in the Pelli FR Pigeon range                                                                                                                |
| WIDTH               | 270 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Professional dry clean only                                                                                              |
