RAVELLO FR NAVY — COLOURWAY V3395/22

Ravello FR is a wide-width fire retardant dimout from Villa Nova, woven with a finely corded texture that gives real depth and softness to the cloth without sacrificing light control. This Navy colourway brings that texture to life, working equally well drawn across a bedroom window for a soft, light-filtering finish or layered into a bright, airy interior scheme.

## FLAMMABILITY / FIRE PERFORMANCE

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

**BS7175 Ignition Source 5**

**B1 (Germany)**

**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

**Crib 5 (BS5852)**

**EN 13773**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7**

**M1 (France)**

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Polyester                                                                                                                                                  |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | V3395/22 — one of 1 in the Ravello FR Navy range                                                                                                                |
| WIDTH               | 300 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Line dry · Professional dry clean only                                                                                   |
