SWATCH — COLOURWAY V3271/05

Torino FR is a fine Trevira CS organza from the Villa Nova Firenze collection, elegantly translucent with a gentle lustre that diffuses light. Woven from inherently flame retardant Trevira CS fibre, Torino FR Hydro meets BS5867 Part 2 Type B & C, making it suitable for commercial environments including care homes, hotels and healthcare settings.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**

Marine certification for cruise, ferry and offshore interiors.

**BS 5815 Part 3 1991**

Certified for this fabric.

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% TCS                                                                                                                                                        |
| DESIGN              | Semi Plain                                                                                                                                                      |
| COLOURWAY           | V3271/05 — one of 1 in the Torino FR Hydro range                                                                                                                |
| WIDTH               | 300 cm                                                                                                                                                          |
| PATTERN REPEAT      | 19 cm vertical × 19 cm horizontal                                                                                                                               |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Professional dry clean only                                                                                              |

CURTAIN SPECIFICATION

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Villa Nova                                                                        |
| CURTAIN MAKE-UP        | Made to measure in the UK by CreateFR, supplied ready to install                  |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £234.58               | £99.40                              |
| Eyelet       | 1.75× fullness | £257.92               | £109.29                             |
| Wave         | 2× fullness    | £269.58               | £114.23                             |
| Pinch pleat  | 2.5× fullness  | £452.50               | £191.74                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
