TORONTO FR SIENNA — COLOURWAY V3637/18

Tested and certified to BS 5867 Part 2 Type B & C, BS 7175 Ignition Source 5, IMO FTP Code 2010 Parts 7-9 and further international fire standards, Toronto FR Sienna is suited to hotels, healthcare, marine and other commercial interiors that call for wide-width FR fabric. It is available made-to-measure in eyelet, pencil pleat, pinch pleat or wave heading, and can be railroaded for extra-wide drops.

**FLAMMABILITY / FIRE PERFORMANCE**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**
**BS7175 Ignition Source 5**
**B1 (Germany)**
**BS 5867 Part 2 : 2008**

The UK classification for curtains, drapes and blinds in public buildings.

**IMO FTP Code 2010, Part 7**
**Crib 5 (BS5852)**
**EN 13773**

European burning behaviour classification for curtains and drapes.

**IMO FTP Code 2010, Part 7**
**M1 (France)**

This fabric achieves its fire performance through an applied flame-retardant treatment. Follow the stated care instructions — the treatment can be affected by incorrect laundering, and re-treatment may be required after cleaning.

FABRIC SPECIFICATION

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| COMPOSITION         | 100% Recycled Polyester                                                                                                                                         |
| DESIGN              | Textured                                                                                                                                                        |
| COLOURWAY           | V3637/18 — one of 1 in the Toronto FR Sienna range                                                                                                              |
| WIDTH               | 290 cm                                                                                                                                                          |
| PATTERN REPEAT      | None — no match required                                                                                                                                        |
| SEAMS & RAILROADING | Cut vertically — curtains wider than one cloth width are made from joined widths. Railroaded, seam-free make-up can be quoted for drops within the cloth width. |
| CARE                | Washable at 30°C · Do not tumble dry · Professional dry clean only                                                                                              |

CURTAIN SPECIFICATION

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| FABRIC MANUFACTURER    | Villa Nova                                                         |
| CURTAIN MAKE-UP        | Made to measure in the UK by CreateFR, supplied ready to install   |

INDICATIVE MADE-TO-MEASURE PRICE

| HEADING      | FULLNESS       | PER LINEAR M OF TRACK | PER M <sup>2</sup> FINISHED CURTAIN |
|--------------|----------------|-----------------------|-------------------------------------|
| Pencil pleat | 1.75× fullness | £212.92               | £90.22                              |
| Eyelet       | 1.75× fullness | £236.67               | £100.28                             |
| Wave         | 2× fullness    | £248.33               | £105.23                             |
| Pinch pleat  | 2.5× fullness  | £420.42               | £178.14                             |

Indicative only, ex VAT. Rates are derived from the made-to-measure price of a 2.4 m track × 2.36 m drop curtain, divided by its track length and finished face area. Final pricing depends on dimensions, heading, lining, hardware and installation requirements. Confirm current rates at order.
